Kentucky Sheep and Goat Producer Directory

About This Directory

The 2006 Kentucky Goat and Sheep Producers Directory lists all Kentucky goat and sheep producers who completed surveys for submission. The directory is separated by sheep and goat sections. Each producer is listed by county with their name, farm name, mailing address, phone number, type of production, and number and breeds of does/ewes, plus alternative phone and email, if submitted.

This directory also serves as a mailing list for producers who wish to receive information on sheep and goat related marketing opportunities and educational events. If you would like to be added to this mailing list, please complete the form on the following page.

This publication is published through a partnership of the Kentucky Department of Agriculture, Kentucky Sheep and Wool Producers Association, and Kentucky Goat Producers Association, Inc.
